Dear [REDACTED]

I am very happy to write this letter to you first baxterian church to tell you that we are closing, because of Covid 19. And we are going to home because we are going to save our self home, so that we can not be sick and die because of covid 19.

When I am at home I will still read my notes and write the home work so that I will be ready to write the exam. I am going to work hard so that I pass and go to the next class, because I want to pass and ~~go~~ to get better life. I will always be ready to write the exam and be a good student.

Covid 19 affects us because now we are closing again because of it. And I will work hard when I am at home and I will ask my parents to help me when I am at home so that I will understand ~~the~~ other subject and pass all of them. When I am at home I will ask my friends to help me with my work. And we are going to discuss together.

Thanks First baptistian church for giving me the uniform and for paying the school fees for me, so that I will be a good student. I will take care of my self when I am at home so that I ~~not~~ can not be sick. I will always wash my hands and put on the ~~mask~~ mask, I like to see you after this covid 19. Always be save.

Your Student
